ALTOCHUBO Manga Comments Event

Note

Reviews schedule based on our tables.

Details of Manga Comments Event:

Every 4 number (chapters) published, we are doing a comments event by different commentators about a manga on its **MOON BUNNY CAFE** project page. We unlock a chapter review within the week. If this milestone is met by multiple comment, we are allowed a period of 1 week between each milestone. If something strange happens to us, Project pages are where the chapters are listed on **MOON BUNNY CAFE**. Milestone numbers can be changed whenever we need and will be coded to the second number of the current status. Once a milestone is met, it will refresh back to zero once milestone. This is your chance to get a review of your favorite series!

Current Status

Admir Walker (20), Prince Laster (208), Daughter of Nobels (210)

The Hunter of the Abyss (20), Attack On Dead Sea (210), Miss Ju (1470)

No Data: End (2018)
